Community Engagement Plan

West Athens-Westmont
Tuesday, January 19, 2016
6:00PM – 8:00PM
Chester Washington Golf Course's (Banquet Room)
1930 W 120th St, Los Angeles, CA 90047

The goal of our outreach is to get as many residents as possible to attend and participate in the community meeting to be held in West Athens-Westmont. Our attendance target is to recruit a diverse representation of 100 community residents and key stakeholders to participate in the meeting. Community outreach will be conducted October 15 through January 2016, right up to the scheduled public meeting.

Outreach Goals:
1. Mobilize at least 100 residents, business leaders, and other stakeholders to the Park Needs Assessment meeting in January 2016.
2. Engage thousands of residents through direct (door to door, business, etc.) and indirect outreach strategies to distribute flyers, and provide basic information about the Parks Needs Assessment (PNA) from October 2015 to January 2016.
3. Develop an Asset Map that will identify key organizations, businesses, churches, schools, transportation hubs and other high traffic areas to conduct the various outreach activities listed below.

The Land Trust plan will include the following outreach strategies:

1. **Holiday Outreach Strategy**
   Staff will distribute meeting flyers, post banners, and have an informational booth at events organized to celebrate the following special events/holidays:
   - Dia de Los Muertos, November 1
   - Veterans Day, November 11
   - Thanksgiving, November 26
   - Christmas, December 25
   - Kwanzaa, December 26 to January 1
   - Martin Luther King Day Parade, January 17 (If needed)
   - Other Holiday Events as identified by DPR staff

315 West 9th Street, Suite 950 • Los Angeles, CA 90015
Phone: 213-572-0188 • Fax: 213-572-0192 • Email: info@lanlt.org
www.lanlt.org
Staff will coordinate with DPR on Holiday events to insure that they are staffed to promote the community meeting. If there are Toys for Tots or other holiday events, we will also insure that we hand out information. Staff will also ask residents to sign up to receive ongoing news about the PNA. We will follow up with residents by phone and email to mobilize them to meetings.

2. Community Groups Strategy
   Staff will attend meetings held by the following community groups to promote and invite them to the community meeting (list not all inclusive):
   - West Athens Victory Garden
   - West Athens Taskforce
   - Washington Prep High School
   - Community Coalition
   - Shields for Families
   - LA Southwest College
   - Chester Washington Golf Course
   - West Athens Freedom Schools’ parents

   Staff will distribute flyers at the meetings, provide extra copies of the flyer for distribution to others, and provide basic information about the Parks Needs Assessment. Staff will also ask residents to pledge to attend the PNA community meeting in January 2016. Land Trust will follow up with residents by phone and email to mobilize them to meetings.

3. Park User Groups Strategy
   Staff will coordinate with DPR to conduct outreach to park users to the meeting:
   - Participants in sports leagues (i.e. basketball, soccer, dance, etc.);
   - Academic programs;
   - Seniors; and
   - Parents of children in Tiny Tot programs.
   - Youth and young adults
   - Bicycle Clubs (coordinate with LACBC)

   Staff will work with DPR to distribute flyers, provide basic information about the Parks Needs Assessment and ask park residents to sign up to receive ongoing news about the PNA. Land Trust will follow-up with residents by phone and email to mobilize them to meetings.
4. **Coordination with County Supervisor Field Offices and other County Departments**
The Land Trust will coordinate with County Supervisor Mark Ridley-Thomas Field Offices and County Departments to reach out to their contacts and ask residents to participate in the community meeting. This will include providing flyers to the Field Offices and other Departments, as well as having an information booth at events hosted by them. We will also distribute meeting flyers at libraries and Public Health field offices.

The Land Trust will also request support from the Communications Staff at Supervisor Mark Ridley-Thomas office to send an emails to his constituents in the area, place the announcement in the newsletter as well as post the event flyer on the website and on various social media sites.

In addition to social media sites, the Land Trust will ask Supervisor Ridley-Thomas to record a robo call phone message that we will use to call homes in this study area three days before the meeting.

5. **Social Media/Website/Newsletters**
Staff will coordinate with the DPR Public Information Office to provide information about the Needs Assessment and community meeting via: the Department of Parks and Recreation website, Twitter account, Facebook page, and Department/Agency newsletters. Information about the meeting will be posted a minimum of 30 days prior to the meeting date.

The Land Trust will also post the event flyer on our social media sites including Facebook, Instagram, and Twitter. We have a total of 4,000 followers on our social media sites.

6. **Communications Outreach**
Staff will develop banners to place in high visible areas promoting the meeting, such as libraries, parks and transportation hubs. We will also explore local media outlets to see if we can add a PSA or an ad in the local newspaper.

7. **Door To Door Outreach**
The Land Trust will do door to door outreach to distribute flyers, provide basic information about the Parks Needs Assessment, and ask residents to pledge that they will attend the upcoming community meeting in January. The door to door outreach
will take place from November to January leading up to the meeting. This outreach will also generate a list of potential participants for the meeting.

8. **Community Engagement at Key Gathering Areas**
The Land Trust will identify key areas, like public transportation stops, grocery stores/markets, schools, faith-based organizations, recreational facilities, laundromats, and other destination points to distribute flyers, provide basic information about the Parks Needs Assessment, and ask residents to pledge to attend upcoming meeting.

9. **Business Outreach**
The Land Trust will reach out to local chambers and other business associations to distribute flyers, provide basic information about the Parks Needs Assessment, as well as ask business owners to pledge to attend the community meeting. Key businesses to target will be identified in our Asset Map.

10. **Phone Banking and Robo Call**
The Land Trust will call County Departments, community based organizations, other key stakeholders and residents three weeks before the event. We will track RSVPs. The Land Trust will explore the financial feasibility of doing a Robo call three days prior to the meeting to a select area within the study area.
